**Join us in Boise,
June 16-19, 2011
for our next
all school reunion!**

Nürnberg Alumni Association, Inc.

Dear Friends,

It's that time, again – for renewal of your membership dues. We hope you'll show your support in the only way you can – by paying your annual membership dues. The lifeblood of any organization is the loyalty shown by members who pay their annual membership dues on time. This insures no interruption in the delivery of the benefits your membership brings to you.

With the payment of your dues, we can continue to provide our daily online support, publish *Trichter* newsletters, maintain the online Alumni Directory, continue to help find lost Eagles, and most importantly, host triennial reunions.

We have not increased our dues amount in over 15-years! You pay only \$20 per year to support the organization. You can go online to pay using our PayPal feature on our website, www.nurnbergeagles.org or you can pay with a check. If you choose to use a check, please make it out to Nürnberg Alumni Assn., and mail to our treasurer.

Charlotte Forman
1630 Doral Court
Keller, TX 76248

If you have questions, please E-mail Charlotte at: cfnurnberg@yahoo.com.

For those of you who are able we would greatly appreciate your consideration in making a donation above the \$20 annual dues. This helps in our effort to improve delivery of services to you, and also to better prepare for the 2011 Gathering of Eagles in Boise, Idaho, during the 3rd weekend of June at The Grove Hotel. We also hope you'll start today to make plans to join your friends and favorite teachers in beautiful and adventurous Boise. It's sure to be a unique and surprising experience to share with your best friends from NHS, and we look forward to hosting the event for you, and spoiling you with love and affection and lots of fun and memories that weekend. You'll love the people there, and all that they have to offer visitors. Very soon you'll be able to check our website for photos and descriptions of their many events, attractions, and motor tours that they will make available to us during our week there. We'll also have photos and stories on Boise appearing in the next few issues of the *Trichter* for your enjoyment.

A Happy and Safe Holidays to all.

David Ogé, President
